

APP POLICY

Mobile App Policy

Last updated: [add date]

1. Introduction

This policy governs the use of the Take a Charge mobile application and outlines the conditions under which users may access and use the app.

By using the app, you agree to comply with this policy.

2. Service Description

The mobile application allows users to rent power banks, and manage their usage through an account.

The app is an integral part of the service and must be used in accordance with all applicable laws.

3. User Responsibilities

Users are responsible for maintaining the confidentiality of their account information and ensuring that all information provided is accurate. By using the service, users agree to all applicable charges.

Users are responsible for the proper use and return of rented devices. Any loss, damage, or failure to return may result in additional charges.

Any misuse of the app, including fraudulent behavior or damage to equipment, may result in suspension of access.

4. Permissions

The app may request access to device features such as location and camera. Location access is used to display nearby stations, while camera access is required to scan QR codes.

Users may disable permissions at any time through their device settings, although this may limit functionality.

5. Payments

All payments are processed securely through third-party provider which is Stripe. Users are responsible for ensuring that their payment information is accurate and valid. By using the service, users agree to all applicable charges.

6. Acceptable Use

Users agree not to misuse the app, attempt unauthorized access, interfere with its operation, or use the service for unlawful purposes.

7. Termination

We reserve the right to suspend or terminate access to the app if users violate this policy or applicable laws.

8. Liability

The app is provided “as is” without warranties of any kind. We are not responsible for interruptions, technical issues, or damages resulting from use of the app.

9. Updates

We may update the app and this policy periodically. Continued use of the app indicates acceptance of any updates.
